E-Filing Solutions for Canada

Win More.

Get control of your costs. Take command of your filings.

LexisNexis now offers electronic filing for all proceedings before the Federal Court.

With e-filing, you benefit from:

- **Increased Control**
 - Enjoy the convenience of filing from your computer.
 - **Know immediately** when the court has received or reviewed your filing.
- **Expanded Filing Hours**
 - File as late as just before midnight Pacific Time—and **stop rushing each afternoon** to get your documents to the Court Registry office before it closes.
- **Reduced Costs**
 - Reduce paper, copying, and courier costs.
 - Pay a single transactional e-filing fee—that is **competitive with courier costs**—each time you file an “envelope” (group of documents) in a particular matter.
 - Easily track e-filing fees for disbursement.

Easy to use, secure, and fully bilingual, the LexisNexis® e-filing service is Internet-based and requires no additional software at your firm.

To sign up for a free* e-filing account, visit www.lexisnexis.ca/efiling. For a free demonstration, call 1-800-668-6481 or complete the form on the reverse.

*There is no charge for an e-filing account. Charges are transactional only.
